

Speaker Biography

Kathryn Davies

Head of Community Services, St Helena Hospice

Kathryn currently works as Head of Community Services at St Helena Hospice in Colchester. She has worked within many palliative care roles for over twenty five years within hospital, hospice and community teams.

She completed her MSc at Essex University in Advanced Clinical Practice (End of Life Care) and her dissertation explored 'What factors influence avoidable hospital admissions in the last 3 months of life, for patients known to a palliative care Clinical Nurse Specialist?'

She lives in Colchester with her husband and elderly Labrador and is learning to play the piano.
