

The Royal Marsden Adult Palliative Care Update

Virtual study day

Wednesday 3rd & Thursday 4th November 2021

Aims:

These virtual study half-days focus on issues relating to palliative care based on the best available evidence with lectures delivered by experienced professionals considered to be experts in their field.

The sessions can be attended as 2 consecutive half days and are also available on demand for 30 days.

Audience:

Nurses and other professionals with an interest in or involved in caring for patients with palliative care needs.

Cost:

£50 per day
